"I'll run in + say
hello + goodbye to

ISSUES:

- sequential minims in "run in"
- "+/&" connects to next word
- descender of "y" in "say" overlaps ascender in "to"

THINGS TO LOOK OUT FOR:

- q, y, g all look similar
- p looks very similar to f and sometimes h
- "th" can be tricky
- minims: u, m, n, i
- "v" vs. "u" and "w"
- e, r, l can all appear as little loops
- letterforms can appear differently depending on where they occur in a given word
